

Exhibition Makers Profile: Home Grown Textiles (Thursday 1st- Sunday 4TH August 2024)

Any field marked with a * must be completed, those fields not marked can be considered optional but please do try to complete as many fields as possible.

A note on word limit: Where applicable the word limit has been noted next to the relevant sections. This is a guide, but please bear in mind that the information about your piece will be displayed alongside it and should be concise. Should your description and materials and techniques field prove to be too long it will be edited to a more appropriate length.

Name*

Title of piece*

Category*

Category A

Category B

Category C

Did you collaborate on your piece with other members?

If yes, please add the names of the members who you collaborated with here and remember to say who did what in your piece description

How big is your piece?

Please enter the approximate size of your piece here.

How long did the piece take to complete?

This can be approximate but if you didn't keep track don't.

Description of your piece*

Please write a description of your piece here. This will be what you want others to know about your item and how it was made. Your description will be displayed alongside your item at the exhibition.

Word limit
250

Materials and Techniques*

Information about your materials and the techniques you have used should be listed here. If you would like to include any images of your process, please send these as

Word limit
600-700

separate files when you e-mail in your form, you will need to ensure the image files are clearly labelled especially if they are to refer to this section.
Please see the category details for the sort of information to provide.

Your textile
journey.

Here you can provide information about yourself as a maker and your general journey in your chosen craft(s)

Word limit
250-300

Do you have any specific display requirements?

Please enter requirements here

If so will you be providing any additional display equipment? E.g. mannequin

Please note: any display equipment should either be black or natural coloured e.g., wood, neutral.

The exhibition coordinators reserve the right to reject display equipment if not in keeping with the requirements above. Any equipment provided will need to be clearly labelled with your name.

Please list equipment you will be providing here
